

DIRECTIONS TO HARBOR POINT MAIN ENTRANCE/GARAGE (FOR NON-TRUCKS - GARAGE MAX HEIGHT 6 FT. 3 INCHES)

FROM THE STEVENSON EXPRESSWAY OR SOUTH LAKE SHORE DRIVE BY CAR

When the Stevenson Expressway ends, go north on Lake Shore Drive, stay on the right side and get off at Randolph Street exit. **Do not turn** on Randolph Street, but continue straight. There are two lanes - the left side is for Wacker Drive; the right side is to continue on Lake Shore Drive. **Stay towards the left side.** As you get closer to the Wacker Drive traffic light, the left side (heading to Wacker Drive) becomes two lanes - merge into the right lane. Obey your signal only and be careful of other traffic as you continue merging over to the right side to take the "up ramp" to upper Wacker Drive. At the top of the ramp, be careful of other traffic as you merge over to the left turn lane leading to the first intersection (Columbus Drive). Turn left and continue to the Randolph Street traffic light. Turn left and continue following Randolph Street, past the stop sign, as it intersects Harbor Drive. At the first stop sign on Harbor Drive, make a right turn into our circle driveway. The garage entry ramp is located on the right side shortly after entering our driveway.

OR

Go north on Lake Shore Drive and get off at the Randolph Street exit. At the first intersection (middle Randolph Street) turn left and head west. At the next traffic light (middle Columbus Drive) turn right and continue a few blocks to the middle Wacker Drive traffic light. Turn left. At the next intersection (middle Stetson Avenue) turn left. At the next intersection (middle South Water Street) turn left and proceed up the right side of the center ramp (South Water Street). At the top of the ramp (Columbus Drive) turn right and proceed to the next traffic light (Randolph Street) and turn left. Continue following Randolph Street, past the stop sign, as it intersects Harbor Drive. At the first stop sign on Harbor Drive, make a right turn into our circle driveway. The garage entry ramp is located on the right side shortly after entering our driveway.

FROM THE EISENHOWER EXPRESSWAY BY CAR

Follow the Eisenhower Expressway all the way into the city (where it turns into the Congress Parkway). Continue on Congress Parkway to the first stoplight east of Michigan Avenue (Congress Plaza Drive). Turn left on Congress Plaza Drive and begin merging to the right lane. At the next intersection (Michigan Avenue) turn right and continue heading north to the Randolph Street traffic light. Turn right on Randolph Street **and stay on the right side** of the street. Ignore the center ramp and continue following Randolph Street, past the Columbus Drive traffic light and past the stop sign, as it intersects Harbor Drive. At the first stop sign on Harbor Drive, make a right turn into our circle driveway. The garage entry ramp is located on the right side shortly after entering our driveway.

FROM NORTH LAKE SHORE DRIVE BY CAR

Get off at the Wacker Drive/Grand Avenue exit. **Do not turn on Grand Avenue**, but continue straight. Once the intersection is crossed, there are three lanes - the left lane continues to Lake Shore Drive; the middle and right lanes are for Wacker Drive. **Stay in the right lane**. At the Wacker Drive intersection/traffic light, stay in the right lane and be careful of other traffic as you proceed up the right lane ramp to upper Wacker Drive. At the top of the ramp, be careful of other traffic as you merge to the left turn lane leading to the first intersection (Columbus Drive). Turn left and continue to the Randolph Street traffic light. Turn left and continue following Randolph Street, past the stop sign, as it intersects Harbor Drive. At the first stop sign on Harbor Drive, make a right turn into our circle driveway. The garage entry ramp is located on the right side shortly after entering our driveway.

OR

Get off at the Wacker Drive/Grand Avenue exit. **Do not turn on Grand Avenue**, but continue straight. Once the intersection is crossed, there are three lanes - the left lane is to continue on Lake Shore Drive; the middle and right lanes are for Wacker Drive. **Stay in the middle lane**. At the Wacker Drive intersection/traffic light, be careful of other traffic as you proceed to the left turn lane of the second traffic light (middle Stetson Avenue). Turn left on Stetson Avenue. At the next intersection (middle South Water Street) turn left and proceed up the right side of the center ramp (South Water Street). At the top of the ramp (Columbus Drive) turn right and proceed to the traffic light (Randolph Street). Turn left and continue following Randolph Street, past the stop sign, as it intersects Harbor Drive. At the first stop sign on Harbor Drive, make a right turn into our circle driveway. The garage entry ramp is located on the right side shortly after entering our driveway.

FROM THE KENNEDY EXPRESSWAY BY CAR

Get off at the Ohio Street exit, heading east (3/4 of a mile) to Michigan Avenue. Turn right on Michigan Avenue and head south (1/2 mile), continuing over the bridge, to the Randolph Street traffic light. In the left turn lane, obey your signal only and turn left on Randolph Street. **Begin merging to the right side** of the street. Ignore the center ramp and continue following Randolph Street, past the Columbus Drive traffic light and past the stop sign, as it intersects Harbor Drive. At the first stop sign on Harbor Drive, make a right turn into our circle driveway. The garage entry ramp is located on the right side shortly after entering our driveway.

DIRECTIONS TO HARBOR POINT LOADING DOCK **(FOR CARS/MOVING TRUCKS/DELIVERIES)**

Moving/Delivery trucks are not allowed on Lake Shore Drive

FROM HARBOR POINT CIRCLE DRIVE TO LOADING DOCK BY CAR

Exit the circle driveway at the stop sign. Turn left onto Harbor Drive, which will intersect with Randolph Street, and continue one block to the stop sign at Field Boulevard. Turn right and follow to the next stop sign at Benton Place. Turn right and continue on Benton Place as it intersects with Westshore Drive. About 50 feet to the right side, there is a ramp. Turn right. At the bottom of the ramp is lower Harbor Drive. Turn right and follow Harbor Drive to our loading dock's address on the left side of the street.

FROM HARBOR POINT CIRCLE DRIVE TO LOADING DOCK BY MOVING TRUCK

Exit the circle driveway at the stop sign. Turn left onto Harbor Drive, which will intersect with Randolph Street. Continue on Randolph Street, past the stop sign, to the Columbus Drive traffic light. Turn right on Columbus Drive and continue to South Water Street stop sign. Turn left and proceed down the right lane of the center ramp. At the bottom of the ramp (Stetson Avenue) turn left and continue one block to Lake Street stop sign. Turn left and continue one block to middle Columbus Drive traffic light. Turn right and immediately proceed down the right side ramp leading to lower Columbus Drive. At the bottom of the ramp, turn left on lower Randolph Street and continue following lower Randolph Street, past the stop sign, as it intersects lower Harbor Drive. The loading dock is located on the right side immediately after turning onto lower Harbor Drive.

FROM THE KENNEDY EXPRESSWAY BY MOVING TRUCK

Get off at the Ohio Street exit, heading east (7/8 of a mile) to Fairbanks Boulevard. Turn right on Fairbanks Boulevard and head south (1/2 mile), continuing over the bridge, as Fairbanks is then identified as middle Columbus Drive, to Lake Street. At the Lake Street traffic light, after immediately crossing the intersection, proceed down the right side ramp leading to lower Columbus Drive. At the bottom of the ramp, turn left on lower Randolph Street and continue following lower Randolph Street, past the stop sign, as it intersects lower Harbor Drive. The loading dock is located on the right side immediately after turning onto lower Harbor Drive.

STEVENSON EXPRESSWAY VIA KENNEDY EXPRESSWAY BY MOVING TRUCK

Transfer from the Stevenson Expressway to the northbound Kennedy Expressway. On the Kennedy Expressway, get off at the Ohio Street exit, heading east (7/8 of a mile) to Fairbanks Boulevard. Turn right on Fairbanks Boulevard and head south (1/2 mile), continuing over the bridge, as Fairbanks is then identified as middle Columbus Drive, to Lake Street. At the Lake Street traffic light, after immediately crossing the intersection, proceed down the right side ramp leading to lower Columbus Drive. At the bottom of the ramp, turn left on lower Randolph Street and continue following lower Randolph Street, past the stop sign, as it intersects lower Harbor Drive. The loading dock is located on the right side immediately after turning onto lower Harbor Drive.
